A merry heart doeth good, like a medicine.... For this weeks Ministry In Spotlight we have featured a Two Minute Daily Devotion from Christian Comedian Ken Davis. The short audio file is sure to make you laugh, but there is much more to this powerful speaker than just humor. Many of his funny stories are taken from years of ministerial service (Stories to which all of us can relate), then after the daily dose of laughter he takes us to God's Word for a true punch line.

Hope You Enjoy!
