

## *Ministry in Spotlight*

### National Youth Competition

The 2007 NYC has concluded, but now is the time to begin preparing for 2008. In fact District Competitions are only eight months away. There are numerous Bible Categories, Singing, Music, Poetry, Photography, Art, on and on. There is literally something for everyone. To see the joy on all of the kids faces in Little Rock, I wish you all could have experienced it !
