Women On Retreat

This week's Ministry in Spotlight is devoted to a wonderful work in our association called Women On Retreat. Under the leadership of Teddi Craddock, Judy Underwood, Kathy Stephens, & others, the ladies organize a quarterly event where they get together for a time of worship, fellowship, and fun. At each of these events the blessings of the Lord truly flow. On Saturday, October 13 the ladies will meet at New Hope FWB in Dover Florida, and their theme will be "The Heart Of A Warrior". There will be great Bible teaching, singing, and fellowship, as the ladies gather once again for Women On Retreat ! We hope to see you there !
